MEMORANDUM FOR RECORD

SUBJECT: Installation Environmental Policy

1. References.

a. Executive Order 13148 – Greening the Government through Leadership in Environmental Management, 21 April 2000.

b. Memorandum from the Assistant Chief of Staff for Installation Management, Department of the Army, Subject: New Installation Management Requirements, 06 Aug 2001.

c. International Organization for Standardization (ISO) 14001 Environmental Management Systems (EMS).

2. Fort Campbell's mission is to support training, mobilization, deployment and redeployment of mission-ready forces. We provide services, facilities, and a safe and secure environment for our Soldiers, civilians, retirees, veterans and their families, while transforming for the future. Fort Campbell will perform this mission in concert with our stewardship responsibilities to protect and conserve the environment by striving to attain an environmentally sustainable Fort Campbell as defined by the Sustainable Installation Management System (SIMS). In accomplishing our mission, we commit to:

a. Conserve natural and cultural resources;

b. Comply with environmental laws, regulations and policies;

c. Prevent pollution; and

d. Pursue continual improvement of environmental management through coordinated planning, operating, checking, correcting and reviewing efforts.

3. This policy will be given widest dissemination to Soldiers, civilian employees and contractors working on behalf of Fort Campbell. I fully support the SIMS and encourage full and enthusiastic participation by all organizations.

4. If you need further information, contact the SIMS Action Officer, Ms. Trudy Carr, at 798-9597.
